

## **Kirby Bates Associates Named to Top 10 Healthcare Executive Search Firms List**

**ORLANDO, Fla., March 13, 2023** — Kirby Bates Associates has been recognized as Healthcare Business Review's Best In Healthcare Executive Search Services.

Kirby Bates Associates is among the leading executive search and interim leadership firms providing high-performing leaders to healthcare C-suites across the nation. Over the last 30 years, it has evolved to serve clients' leadership needs, including expanding roles and services.

As a national leader in healthcare executive search, KBA has helped healthcare delivery client organizations achieve their strategic imperatives by recruiting and placing mission-margin, results-oriented talent. Kirby Bates Associates is proud of its proven, collaborative, comprehensive, inclusive, and transparent search methodology for executing executive searches.

"For 30 years, we've continually pushed the envelope of what it means to be an executive search partner. Not only do our clients gain access to an extensive network of healthcare leadership professionals, but we also assist them through every step of interviewing, onboarding, and beyond to assure they are the right fit for the job," comments Jane Fitzsimmons, MSN, RN, Executive Vice President of Executive Search Services at Kirby Bates.

Melissa Fitzpatrick, MSN, RN, FAAN, President of Kirby Bates Associates remarks, "We have a strong track record of having completed countless placements in multiple positions across numerous specialties for healthcare organizations, allowing us to thrive and continue to grow even in an unprecedented time.

"We proudly accept this honor from [Healthcare Business Review](#) and look forward to helping our partner organizations for decades to come."
